Subject: Contract of Commercial Lien UCC File DE # 20193234700

Dear Mr. Cetlinski:

"Affidavit of Thomas-James: Brown-Bey"

Due to the total breakdown of the justice system of Michigan, whereby no lawful courts are provided for the adjudication of law, the law of commerce has been adopted to stop the unlawful conduct of "Foreign Agents" 22 USC 611. Thomas-James: Brown-Bey has been enslaved by the "POLICE & FIRE RETIREMENT SYSTEM OF THE CITY OF DETROIT" without authority of law since March 13, 2008. After rights, privileges and immunities secured by the Constitution for the United States of America, were repeatedly violated by a "Corporate Government" (CITY OF DETROIT, WAYNE COUNTY, MICHIGAN) and the POLICE & FIRE RETIREMENT SYSTEM OF THE CITY OF DETROIT refused to stop this "Conspiracy against rights" 18 USC 241, a "Commercial Lien" was lawfully filed within the laws of commerce. A criminal

THOMAS JAMES BROWNCO[®]™ TRUST

complaint against all members of the "MICHIGAN BAR ASSOCIATION" was filed with the "STATE INSURANCE COMMISSIONER" who has refused to remove these "Foreign Agents" from "Public Offices" and allowed them to continue their "Organized Crime". In an effort to re-establish lawful government in Michigan, I demand full payment of the attached \$200,500,000,000.00 commercial lien. This is done to force the "POLICE & FIRE RETIREMENT SYSTEM" to grant "due process of law", it has refused to date. The "POLICE & FIRE RETIREMENT SYSTEM OF THE CITY OF DETROIT" has abandoned its "Constitutional Authority" and "Foreign Agents" have instituted "Corporate Government", by corporations, for corporations against the "American People". Should the "POLICE & FIRE RETIREMENT SYSTEM OF THE CITY OF DETROIT" fail to pay this lawfully established debt, within 30 days as required by law, then the "POLICE & FIRE RETIREMENT SYSTEM OF THE CITY OF DETROIT" must be shut down for 100 Years or until the debt is paid in full, as agreed in the terms of the lien. Within the law of commerce there is nothing left to resolve, the "POLICE & FIRE RETIREMENT SYSTEM OF THE CITY OF DETROIT" has admitted it crimes and trespasses by its failure to deny them. Failure to pay its debts is lawful grounds for seizure of all assets as clearly listed in the attached commercial lien. On this 30th day of September 2019, I demand payment in full.

Facts:

1. The "Constitution of the United States of America" and the "Constitution of Michigan" have been overthrown by "Foreign Agents" 22 USC 611, who have seized the "Courts of Michigan" to operate them as their personal "Organized Crime Operations" of "Extortion" for "Profit". Thomas-James: Brown-Bey has been lawfully challenging this "Corruption" since 1991 and has been denied his rights, privileges and immunities in all courts of Michigan. No "due process of law" has ever been granted in any court Thomas-James: Brown-Bey has appeared in and no lawful judgment has ever been rendered, in any case where he was a party. The evidence of this "Conspiracy against rights" 18 USC 241, by "Foreign Agents" is present in every case filed of every court where Thomas-James: Brown-Bey has appeared. Thomas-James: Brown-Bey is entitled to this claim to enforce the "Status Quo" of "due process of law".

2. "Due Process of Law" is secured to every "Moorish American National" and common law dictates that once due process of law is denied all jurisdiction ceases. Thomas-James: Brown-Bey was convicted of felony crimes by a "Corporation" (WAYNE COUNTY, MICHIGAN) that operates in violation of the Constitution of Michigan. This "Corporation" exercises "Police Powers" as a "Corporation" in violation of Article XI, Section 3 of the Constitution of Michigan. It taxes the public to support itself and other "Corporations" prohibited

by Article VI, Section 23 of the Constitution of Michigan. These violations of law, have been repeatedly reported to the Governor, Attorney General, Michigan Senate, Michigan House of Representatives, the Michigan Supreme Court, Michigan Court of Appeals, US Representative for the 5th District of Michigan, United States District Court, United States Court of Appeals and the United States Supreme Court, all of whom have refused to enforce the "Supreme Law of land". This is a conspiracy of "Foreign Agents" who control these "Public Offices", that by the "Original 13th Amendment" (ratified and made law in 1819) clearly states no "Title of Nobility" may hold any office of trust or profit. Because a "Corporate Government" has no lawful authority, it can not lawfully act against the "American People". This conspiracy has made Thomas-James: Brown-Bey a "slave" of the "POLICE & FIRE RETIREMENT SYSTEM OF THE CITY OF DETROIT" without authority of law and refused all due process of law that entitles him to release.

3. Criminal complaints against these "Foreign Agents" have been repeatedly ignored and they have been allowed to maintain their unlawful restraints of Thomas-James: Brown-Bey. "Foreign Agents" are impersonating "Judges" and operating the "Courts of Michigan" without law, evidence or rules established to protect the "American People". The right of compulsory process for witnesses has been denied in both cases where Thomas-James: Brown-Bey was convicted of felony crimes. This denial of due process of law establishes the convictions are null and void. All jurisdiction was lost when due process was denied. "Foreign Agents" claiming the authority to violate constitutional rights, is a threat to the "American People" and must be held accountable for the injuries they inflicted with malice, intent and knowledge of breaking our law. Refusal to prosecute these felony crimes, is the crime of "Misprision of Felonies" 18 USC 4.

4. The "POLICE & FIRE RETIREMENT SYSTEM OF THE CITY OF DETROIT" was established by "Treaty" with the "United States of America" by the "Constitution of Michigan". By this "Treaty", the "American People" are assured a "Republic Form of Government" whereby the "American People", have the rights, privileges and immunities secured by the "Constitution for the United States of America" and will be honored by the "POLICE & FIRE RETIREMENT SYSTEM OF THE CITY OF DETROIT". This contract has been broken, by attorneys who have conspired to overthrow the "Constitutional Government" and in its place institute "Corporate Government" by corporations, for corporations against the "American People". This corporate government has failed to provide security of rights, privileges and immunities, established as its lawful purpose by Article I, Section 2 of the Constitution of Michigan. The POLICE & FIRE RETIREMENT SYSTEM OF THE CITY OF DETROIT has failed in its chief design by failing to provide the "American People" within Michigan their protection of law. Because the "POLICE & FIRE RETIREMENT SYSTEM OF

THE CITY OF DETROIT" has failed to provide Thomas-James: Brown-Bey with his rights, privileges and immunities, this government has failed to act in accordance with law and has lost all immunities for their crimes. Until these "Foreign Agents" are arrested, charged and prosecuted for their crimes against Thomas-James: Brown-Bey, Thomas-James: Brown-Bey has the right to seek justice by all lawful means. A "Lis Pendens Lien" is a "Common Law Right" of all "Moorish American Nationals" to collect damages for injuries suffered.

5. Thomas-James: Brown-Bey has filed this "Lien" in the 3rd Judicial Circuit Court of Michigan, where it remains unrebutted to date. It has been filed in the United States District Court and properly served on all parties involved and stands unrebutted to date. It was file as a UCC Amendment on March 13, 2008 File # 2008040166-6 and is unrebutted to date. This was filed with the Michigan Insurance Commissioner, for removal of all "MICHIGAN BAR ASSOCIATION" members from "Public Offices" until this matter is resolved. This was requested within UPU Regulations and has been ignored to date. Within the "Public Vessels Act" a "Public Vessel" that causes injuries must be removed from "Public Office" until the matter is resolved. Refusal to comply with this law of commerce, in the "Admiralty", establishes the lawful right to accountability for all acts public and private. For these reasons, the "POLICE & FIRE RETIREMENT SYSTEM OF THE CITY OF DETROIT" is "Dishonored" in "Commerce" for its refusal to comply with the laws governing its conduct. Thomas-James: Brown-Bey has filed a "Writ of Praecipe" demanding the deposit of the patron. It has been refused to date by "Foreign Agents" engaged in "Organized Crime" of "Slavery of Americas" prohibited by the current "13th Amendment". Until the "Writ of Praecipe" is granted and due process of law is upheld, the "POLICE & FIRE RETIREMENT SYSTEM OF THE CITY OF DETROIT" stands in "Dishonor" in "Commerce" and may not engage in commerce until this matter is resolved.

6. Since March 13, 2008, Thomas-James: Brown-Bey has lawfully established himself as an "Moorish American National" and not a "UNITED STATES CITIZEN". As an "Moorish American National" Thomas-James: Brown-Bey is not subject to any jurisdiction of a "Foreign Agent", he has immunity by the 11th Amendment. He has lawfully established a "Private Bank" and stands in "Honor" in "Commerce". These facts have been presented to all government authorities that by their silence have admitted these facts. Thomas-James: Brown-Bey now lawfully challenges the "POLICE & FIRE RETIREMENT SYSTEM OF THE CITY OF DETROIT" for its "Fraud" 18 USC 1001, claiming authority to deny Constitutional rights, privileges and immunities to the "American People" in the "inferior courts" of the "United States of America". This "Fraud" is clearly present in all cases where Thomas-James: Brown-Bey is involved and these cases are now brought forward for examination, correction and lawful adjudication by a lawful government authority acting within its "Constitutional Authority". Before the

world, I, Thomas-James: Brown-Bey, declare my rights, privileges and immunities as a member of the "American People" who are "Sovereign" and not subject to crimes claimed by "Foreign Agents" engaged in "Conspiracy Against Rights" 18 USC 241. I dispute all claims of debt and all claims of contract, with the "Corporate Government" of the "POLICE & FIRE RETIREMENT SYSTEM OF THE CITY OF DETROIT" and declare them a threat to the "American People" who reside within the boundaries of Michigan. These "Foreign Agents" have no rights, no privileges and no immunity for their violations of the "Supreme Law of the Land" and must be held accountable under the law.

ENFORCEMENT OF RIGHTS

Because the "POLICE & FIRE RETIREMENT SYSTEM OF THE CITY OF DETROIT" has refused to "honor" all lawful requests for "due process of law" the demand for payment is now being made. The "Commercial Lien" is for \$200,500,000,000.00 (10 Times the State's budget) for the purpose of securing "due process of law" for all the "American People" in the "Courts of Michigan". The purpose of this "Lien" is to "bankrupt" the corporate "POLICE & FIRE RETIREMENT SYSTEM OF THE CITY OF DETROIT" and re-establish the "Constitutional Government" of the "POLICE & FIRE RETIREMENT SYSTEM OF THE CITY OF DETROIT". "Corporations" have no rights, no privileges and no immunities under the law and it is fraud for any state to claim they do. "Corporate Courts" have no jurisdiction to hear or determine law and no authority to impose penalties for violations of "imposter laws". When a government unlawfully establishes it has authority to create criminals for the profit of attorneys, the people can no longer remain silent. As one who has been injured by this unlawful practice I declare my right to damages as clearly outlined in the attached "Commercial Lien" that is un rebutted to date. I take this action to enforce the "Status Quo" that all the "American People" are entitled to due process of law and take a stand in opposition of a corrupt government who claims they are not. It is the responsibility of all lawful government to put down the "Insurrection" of the "POLICE & FIRE RETIREMENT SYSTEM OF THE CITY OF DETROIT" and take the appropriate steps to insure "Constitutional Authority" is maintained in the "Republic of Michigan".

DEMAND FOR PAYMENT IN FULL

Because all lawful attempts to obtain due process of law have failed, I demand full payment of this "Commercial Lien" in the amount of \$200,500,000,000.00 within 30 days. By terms of the lien, should the "POLICE & FIRE RETIREMENT SYSTEM OF THE CITY OF DETROIT" fail to pay its "debt", it is bankrupt and can no longer engage in "Commerce" for 100 years or until the debt is paid in full, whichever comes first. By the law of commerce and

the common law rights secured to all "Moorish American Nationals" I make this demand to enforce the "status quo" of due process of law. For the "POLICE & FIRE RETIREMENT SYSTEM OF THE CITY OF DETROIT" to engage in "commerce" without paying this debt will constitute "Treason" and "Conspiracy to overthrow government" by all members of the "MICHIGAN BAR ASSOCIATION" acting as "Foreign Agents" against the "American People" in the "Public Offices" of the "Country of Michigan" 28 USC 297. Within the laws of commerce, I believe this to be a lawfully binding contract, based upon the laws of commerce that must be upheld by all "Sovereign Nations". Thomas-James: Brown-Bey stands in "Honor" in "Commerce" and disputes all crimes claimed, because to date no injury to person or property has been claimed, therefore common law dictates no criminal intent can be lawfully established. I come before the world with clean hands as an "Moorish American National" who has been injured by a corporation unlawfully posing as government without jurisdiction or authority of law. I demand full payment of this debt owed by the "POLICE & FIRE RETIREMENT SYSTEM OF THE CITY OF DETROIT".
